

Woodward Wildcat

October, 2019

Principal's Message:

Dear Woodward Families and Friends,

We will have our Parent /Teacher Conferences this month. These will be held on Tuesday October 15th and Wednesday, October 16th, 2019 . It is very important that you set up a time to meet with your child's teacher to discuss his/her academic progress. This is a time where we can set goals, discuss strategies, and put plans in place to continue the learning process for each and every student. We need YOU to make this happen!!! Please touch base with your child's teacher to set up your conference time. We look forward to seeing you!!!

My door is always open to address any concerns or answer questions. Please feel free to contact me with your concerns. We appreciate all that you do to help our school be successful and a great place of learning for all. Let's continue on this journey, working and learning together.

Your Principal,
Dr. Carla F. Cunigan

Wildcat Store

Our school store is a behavior incentive we have here at Woodward. If students have 5 purple days in a row or 95% or higher on Dojo for the week, they are able to shop. The store is open on Fridays during lunch. Students are excited about the items that they are receiving from the store.

Donations and parent volunteers are needed in order to sustain the store as a valid incentive for our students. Please keep the store in mind as you clean and shop. Donations can be made to any SW-PBS member or taken directly to the store on Friday.

Thank You for all you do.

History of Red Ribbon Week

Red Ribbon week was inspired by the life and work of Drug Enforcement Agency Special Agent Enrique "Kiki" Camarena. After graduating from college and serving in the Marines and as a police officer, he joined the DEA so he could help fight illegal drugs. While working undercover in Mexico, he was killed by drug traffickers. The people in his hometown in California began wearing red ribbons to commemorate his life. The trend took hold throughout the country and in 1988, Congress officially proclaimed "**Red Ribbon Week**".
