## COMMUNICATION

*with the teacher*

- 1 ANGELA.BUBASH@SLPS.ORG
- 2 OR visit during my plan:
- 3 Period One & Six RM. 307

## EXPECTATIONS

*When you enter 307*

- 1 Come to class, find your seat, and work on your Do Now in your Notebook!
- 2 DEMONSTRATE KINDNESS AND RESPECT. In general, if we are kind to each other, I'm happy. But remember! We WILL be engaging in lots of class discussion. A classmate MAY say something you disagree with, and that's okay! Feel free to disagree, but please do so respectfully.
- 3 Put your phone away!

*My thoughts on plagiarism*

I hate it..

Using someone else's words as your own is truly the ONLY thing for which I don't have any patience.

If you copy ANYTHING from another student, the internet, etc.- even if it is only one sentence- EVEN IF IT IS ONLY A PHRASE- the entire assignment is a zero. No re-dos. No exceptions.

A BIG FAT UGLY ZERO.

## What we get to read!

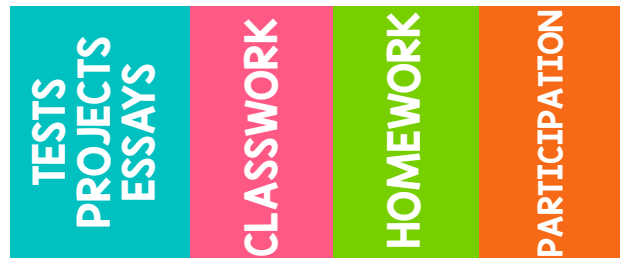

*It's gonna be good, guys*

- 1 *A Letter from A Birmingham Jail*
- 2 By: Martin Luther King Jr.
- 3 *Of Mice and Men* by: John Steinbeck
- 4 *A Raisin in the Sun* by: Lorraine Hansberry
- 5 *MacBeth* by Shakespeare
- 6 *Night* by: Elie Wiesel
- 7 A selection of short stories and poems

*class grading scale*

50% 35% 10% 5%

## WHAT IS MY grade?

- 1 I update SIS every Monday
- 2 That means every week, I will update your grade with the PREVIOUS week's work
- 3 Essays will take me longer. (I'm sorry!)
- 4 Will I take late work? YES! ALWAYS!
- 5 Is there a catch? Kinda. I take off ten percent (that means you can still get an A) and I won't be in any rush to grade it. If you turn something in two weeks late, I may take up to two weeks to grade it, but I promise it will be ready for your SEMESTER grade.
