

# iXL

We typically only use iXL for math but the company has opened up other subjects so students have a reliable source to use to work on other subjects as well.

All skills can be found under fourth grade.

Skills to work on:

## Math:

R: Add and Subtract fractions

S: Multiply Fractions

D: Multiplication

## Science:

C: States of Matter

D: Heat and Thermal Energy

T: Fossils

## Social Studies:

F: Maps

G: Oceans and continents

H: States
