

Board of Education of the City of St. Louis
CAREER OPPORTUNITY

Position Title:	Secondary Health Careers Specialist
Payroll/Personnel Type:	10 Month
Reports to:	Principal

Position Summary:

SLPS is seeking talented Educators with a broad base of knowledge in curriculum and pedagogy. In this position, Teachers are expected to plan, organize and deliver programs of instruction that support the premise/core belief that all children can learn and implement activities that promote the learning goals and academic expectations. Our diverse student population deserves and appreciates Teachers who are committed and who have a passion for their work. Provides students with a program of study that teaches health occupational specific skills, develops employability skills, and reinforces academic skills.

Essential Functions:

- Meet and instruct assigned classes in the locations and at the times designated
- Supervises all students assigned in instructional activities
- Aids in serving students with reinforcement learning skills in follow up activities as assigned and instructed by classroom teacher
- Plans a program/lesson of study that, as much as possible meets the individual needs, interest, and abilities of the students
- Prepare for classes assigned and show written evidence of preparation upon request of the principal
- Demonstrates concepts using representations such as models, chalk board, overhead projector, and other standard or teacher-prepared instructional aides
- Design learning activities that will connect the students' to the physical world, to other content areas, and to prior concepts
- Design learning activities that will allow students opportunities to communicate mathematically, orally and written, with others
- Creates and maintains an inviting, stimulating instructional area with attractive student-centered bulletin board displays, learning centers and projects consistent with the physical limitations of teaching area
- Supports the program of study, using a variety of instructional techniques, instructional media and technology
- Analyzes and uses appropriate data to guide instruction and develop assessments
- Prepare for classes assigned and show written evidence of preparation upon request of the principal
- Demonstrate an overall knowledge of one's discipline(s) that allows him/her to teach to the student's ability levels and learning styles
- Maintain accurate, complete and correct records as required by law, district policies and administrative regulations
- Create a classroom environment that is conducive to learning and appropriate to the maturity and interest of the students
- Encourage students to set and maintain standards of classroom behavior
- Communicate expectations, criteria for assessment, student progress, and student strengths/weaknesses to parents and students

Board of Education of the City of St. Louis
CAREER OPPORTUNITY
