With twenty-seven specialty schools to choose from, the St. Louis Magnet Schools offer an exciting, tuition free alternative for students of all ages and abilities.

Expect Better.
Choose the St. Louis Magnet Schools

Choosing a school for your child is one of the most important decisions a parent makes. Do you have a child who doesn't necessarily “fit the mold” offered at your current school? Or are you looking for a change in direction as your child advances from one level to the next? If so, there’s an exciting educational alternative you need to know about! It’s the St. Louis Magnet School Program.

For almost three decades, St. Louis City and County families have experienced extraordinary educational opportunities at the Magnet Schools.

WHAT IS A MAGNET SCHOOL?

Students ordinarily go to the public school nearest them. Magnet schools are public schools without school boundaries. Each has something unique to offer that you won’t find in traditional schools, whether it’s a particular focus on technology, the arts, or a stimulating curriculum designed especially for gifted students.

Because of high demand in many schools and grade levels, admission is based on a lottery system.

See eligibility criteria on Page 4.

27 specialty schools catering to a wide range of student talents and interests

Diverse and challenging curriculum

Free transportation for eligible students

Priceless partnerships with respected local and national institutions

Simple and fair application process

PLEASE JOIN US AT ONE OF THE FOLLOWING EVENTS:

Magnet Schools Open House at all school locations

Dates and times to be determined by individual Magnet and Choice Schools. Check www.sbps.org for schedule.

Magnet Recruitment Fairs

Saturday, September 15, 2012 = 10 a.m. to noon

4652 Maryland Ave. 63108

Tuesday, September 25, 2012 = 6 p.m. to 8 p.m.

The Emerson Education Center at The Magic House

Free Admission

516 S. Kirkwood Road 63122

Saturday, October 6, 2012 = 10 a.m. to noon

Compton/Drew Investigative Learning Center

5130 Oakland Ave. 63110
At a magnet school your child can . . .

**Be Creative**

Their world is a stage, a canvas, bright lights and beautiful costumes. Your child thrives on creating, performing and entertaining. Our Visual & Performing Arts Magnet Schools provide the training, opportunities and space artistic children need to explore their creativity and develop their talents. Thanks to our visiting professional artists and partnerships with STAGES, Muny Kids, the Saint Louis Symphony, Opera Theatre of St. Louis and more, your child will be exposed to a world he or she might otherwise only dream about.

**Look Deeper**

Digging in dirt, peering into a microscope, star-gazing and encouraging you to live green. Your child will experience hands-on learning, while gaining exposure to everything from engineering to environmental science to computer technology and health fields at our schools that specialize in math, science, technology and pre-college learning. Partnerships with the Missouri Botanical Garden, St. Louis Zoo, the University of Missouri at St. Louis and others further enrich your child's experience.

**Think Deeper**

Spoke French at age 2, knows the answer to $E=mc^2$, voracious reader, chess master. Sound familiar? Gifted children thrive in an environment that challenges them to the nth degree. St. Louis Magnet Schools proudly offer the only FULL-Time, tuition-free gifted education in the metropolitan area. Our rigorous and challenging curricula are guaranteed to fulfill your gifted learner's needs. St. Louis Public Schools offer free gifted screening. For information or to schedule an appointment, call 314.345.4548. (To qualify for a gifted magnet school, students must meet state-approved criteria.)

**Explore Earlier**

Young minds are inquisitive by nature. Our Early Childhood Centers tap into that natural inquisitiveness using a process-oriented approach to learning known as Project Construct. Your child will be engaged in all-day learning from preschool through fifth grade, providing a strong, solid foundation for his or her future academic success.

Children needing special education services require a caring approach. Some magnet schools include self-contained special education classrooms for students whose Individual Education Programs (IEPs) call for it. Full inclusion and cross-categorical classes are also available.

**Share Cultures**

Bonjour! Guten Tag! International Studies Schools provide a wonderful and exciting “Passport” to learning. Our students and staff represent more than 30 countries. Your child will learn multiple languages, traditions, customs and cultures in the classroom, in the hallways and beyond.

**Shine Brighter**

Shiny shoes, crisp uniforms, brass buttons. Cadets not only dress the part, they walk and talk it. Cleveland NJROTC Military Academy builds character, inspires service and creates strong leaders today for tomorrow. Admittance and enrollment depend on students meeting the school's academic standards, and weight and uniform fit requirements. Soldan International Studies and Gateway STEM High Schools offer part-time Air Force ROTC programs.

**Be Unique**

It’s cool to be different. Some children like traditional learning. Others excel when a teacher identifies and supports their individual learning style. Magnet schools are a great place for “break-the-mold” students. Our general academic programs are recognized for inventive teaching methods. We offer the largest tuition-free Montessori program in the metropolitan area. How successful are our students? Our Metro Academic & Classical High School currently ranks #76 in U.S. News and World Report's list of “America's Best High Schools,” the highest ranking of any school in the state of Missouri.

For a complete listing of magnet schools and their specialties, please see back cover.
What every parent should know about Magnet Schools

Who’s eligible?
The following students are eligible to apply for a spot in a magnet school:
• Any student living in the city of St. Louis.
• Non-African-American students living in the Affton, Bayless, Brentwood, Clayton, Hancock Place, Kirkwood, Ladue, Lindbergh, Mehlville, Parkway, Pattonville, Ritenour, Rockwood, Valley Park and Webster Groves school districts are eligible for Kindergarten through Grade 12. County residents are not eligible for preschool.

The application process
Students wishing to attend a magnet school must submit an application, a copy of which is included in this brochure. City residents are encouraged to apply online by visiting the St. Louis Public Schools website at www.slp.org or call the Recruitment and Counseling Center at 314.633.5200. County residents can visit the Voluntary Interdistrict Choice Corp. (VICC) website at www.choicecorp.org. Click on “Information about applying,” or call 314.721.8422, ext. 3012.

Completed written applications may be mailed to or dropped off at:
St. Louis Public Schools
(for city residents)
Recruitment and Counseling Center
801 N. 11th Street
St. Louis, MO 63101

Voluntary Interdistrict Choice Corporation (VICC)
(for county residents)
7425 Forsyth Blvd., Suite 110
St. Louis, MO 63105

(for county residents, please include a copy of child’s final report card for 2011-12)

Please complete only one application per child. SLPS and VICC computers will consider for placement only the most recent application submitted.

Placement Procedures

The District is implementing a new application, placement and notification timeline for students applying to magnet and choice schools. The new procedures will allow for quicker notification and information to be provided for acceptances as well as available openings. These new procedures set in place a three pool application timeline.

<table>
<thead>
<tr>
<th>Pool A Application Period</th>
<th>Pool B Application Period</th>
<th>Pool C Application Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>September 1, 2012 through October 12, 2012</td>
<td>October 29, 2012 through December 7, 2012</td>
<td>December 26, 2012 through February 1, 2013</td>
</tr>
</tbody>
</table>

Applications received between Pool Application Periods will be considered for placement in the next pool.

Continue reading...
Magnet and Choice High Schools provide students with intimate, personalized learning environments and "hands-on" educational experiences that prepare them for the future. Through internships, career mentors, and work study programs, these schools offer students unique opportunities while studying rigorous college level coursework. The schools also enable students to engage in an education supported by strong partnerships with universities, technical schools and local businesses and organizations.

Students interested in attending a St. Louis Magnet or Choice High School are selected based on several criteria, including G.P.A., attendance records and disciplinary records. In addition, some schools require student essays, interviews or auditions. All St. Louis City residents are eligible to apply.
**CHOICE HIGH SCHOOLS**

**Carnahan High School Of The Future**
4041 South Broadway
314.457.0582
Carnahan High School of the Future features a learning environment where technology is integrated into every phase of the teaching and learning process. Students experience increased digital literacy, enhanced school-to-home communication, paperless instruction and “anytime/anywhere” activities. The state-of-the-art building offers a Mac lab, 10 Intelligent Classrooms, Polycom video conferencing and a reading room.

- 250-word (minimum) essay expressing the student's interest in attending Carnahan
- 2 personal recommendation letters from (1) current teacher or principal and (2) a community member who knows the student well
- Previous year's report card; Minimum G.P.A. of 2.5 and no behavior problems
- Personal interview with the student
- Attendance must be 95% and above

**Clyde C. Miller Career Academy**
1000 North Grand Blvd.
314.371.0394
Clyde C. Miller provides a career and technical education focus centered around 11 technical pathways: bio-technology; construction management; electronics; healthcare; computer networking; data base management; manufacturing; hospitality; culinary; multi-media; and business administration. After graduation, these learning opportunities lead students to college, technical school, apprenticeships and work. The school is located in a state-of-the-art 143,000 square foot facility.

- Adherence to uniform policy
- Strong interest in career and technical education
- Previous year's report card; Recommended 2.5 GPA
- Copy of discipline record; Good standing in citizenship
- High attendance percentage
- Each student is required to participate in an interview and essay writing
- Career Academy only accepts 9th and 10th grade applicants

**Northwest Academy Of Law**
5140 Riverview Blvd.
314.385.4774
Northwest Academy of Law focuses on preparing students for careers in the fields of law and law enforcement. Students have the opportunity to explore the career paths of lawyers, judges, police officers, crime scene investigators and FBI agents. They are able to gain valuable law-related experiences through school sponsored activities such as mock trials, moot court, debates, Youth in Government, Project Citizen Competition and Junior Academy Camp.

- 200-word (maximum) essay expressing the student's interest in attending Northwest
- Previous year's report card; Minimum G.P.A. of 2.5
- Personal interview with the student
- Copy of discipline record; Good standing in citizenship

**MAGNET HIGH SCHOOLS**

**Gateway STEM High School**
5101 McRee
314.776.3300
Gateway STEM (Science, Technology, Engineering, Math) High School, recognized by the United States Department of Education as a New American High School, integrates a strong academic curriculum emphasizing mathematics and science with career preparation in highly technical fields. Accelerated and advanced placement courses are available. Gateway STEM creates lifelong learners through skill building, team building, real-life applications, and service to the community.

- Interest in mathematics, science, and/or technology
- Expectation to attend post secondary education at a university, college, community college or technical school with the intent to attain a diploma
- Successful completion of an entrance essay reflecting the student's view of the mission of Gateway STEM (see 1 & 2 above)
- Official recommendation checklist form for high school, submitted by two of the following: the applicant's teacher, counselor, principal or designated administrator
- Student transcripts/report cards, reflecting aptitude and success in mathematics, science and writing
- Student interview
- Attendance and discipline records will be reviewed by the screening team for patterns determined to be detrimental to a student's success at Gateway STEM
- Commitment to parental involvement (i.e., PTA, advisory committees, booster clubs, support of school, volunteer)

**Central Visual and Performing Arts**
3125 S. Kingshighway
314.771.2772
Central VPAs educational program is designed to create a nurturing environment where students receive a quality academic and artistic education that prepares them to compete successfully at the post-secondary level or perform competently in the world of work. Students learn to communicate effectively, enhance their physical and emotional well-being, acquire a passion for lifelong learning and demonstrate the ability to do critical thinking and be creative.

- Submit a copy of previous year's report card with a mini-
minimum cumulative grade point average of 2.5
• Submit a copy of previous year’s transcript. Based on 174 days of school, the student must have at least a 90% attendance rate
• Submit a copy of the previous year’s discipline report and be in good citizenship standing (no out of school suspensions)
• Submit 2 letters of recommendation. Two personal recommendation letters should come from (1) an administrator and (2) an art teacher
• Audition dates will be scheduled upon receipt of all required documents. Students who are granted auditions must attend the scheduled time prepared to audition and be interviewed by the administrative staff
• Because Central’s program sequences through 4 years, we only accept 9th and 10th grade applicants
• All accepted students are required to attend Central VPA’s 9th grade transition program, parent orientation, pre-register and be present on the first day of school

Cleveland NJROTC
4939 Kemper
314.776.1301
Cleveland NJROTC, a full fledged military school, provides cadets with a quality education in a highly disciplined military school environment fostering self-esteem, self-discipline, academic excellence and physical fitness. Cleveland integrates its civilian and military staff into a cohesive educational unit focused on student achievement. We provide a comprehensive high school curriculum supporting everything from special education to advanced placement/college credit offerings in math, science, English and social studies. Uniforms are provided by the U.S. Navy and worn five days a week.

Metro Academic and Classical High School
4015 McPherson
314.534.3894
Metro provides a challenging, quality education focused on high standards and expectations in an atmosphere of unity, enthusiasm, caring, and respect for self, others and the community. We encourage service to the community, while promoting learning in all areas to prepare students to become responsible members of society who can function in a technology oriented world.

• Applicant must have an evaluation of excellent or good on each item on the Official Recommendation Checklist Form for high school. This recommendation must be submitted by two of the following: the applicant’s teacher, counselor, principal or designated administrator.
• Applicant must score at or above the Third Achievement Level of all current Missouri Assessment Program tests. If MAP scores are unavailable, scores at or above the 50th percentile on school wide, nationally normed achievement tests being used by the applicant’s school/district may be substituted.
• Applicant must have a good attendance record with no more than five days of absence during the most recent fall semester, except in cases of physician documented illness/hospitalization and documented family emergencies, i.e., deaths, fires, accidents.
• Eighth grade applicants must submit a copy of the last completed semester report card to validate classroom academic achievement and attendance reflecting a C or better in all subjects with the exception of Physical Education, Art, Music, and Practical Arts. One D will be acceptable in any one of these four subjects.
• Applicants must have completed and passed (with 70% or better) one year of algebra by the end of the eighth grade year.
• All accepted students are expected to attend Metro’s 9th Grade Summer Transition Program.
• Metro only accepts 9th and 10th grade applicants.

Soldan International Studies
918 Union Ave.
314.367-9222
Soldan ISHS is a nationally accredited high school that prepares students for colleges and 21st Century careers in the medical field, biomedical sciences, Crime Scene Investigation (CSI), information technology, computer science, business, management, law, and leadership. Students attending Soldan take part in a global studies curriculum, preparing them for further education and careers in an ever changing and diverse society.

Soldan’s rigorous curriculum focuses on international studies, career preparation, and the use of technology. Students have honors and Advanced Placement classes offered in all major content areas, and a technology embedded curriculum complete with Promethean Boards, Smart Boards, laptops, videoconferencing, and digital literacy. Soldan’s premier technology capabilities include a state of the art biomedical sciences lab, veneer probes, digital literacy, videoconferencing, and Skype. Students have the opportunity to connect with other students around the world, participating in the France–United States Academy and participating in a foreign exchange program with Académie de Lyon, France.

Students at Soldan are prepared for careers in the 21st Century through Soldan’s community partnerships. The Project Lead the Way Biomedical Sciences Pathway partners with Washington University Medical School, Barnes Jewish Hospital, and St. Louis University Hospital, designed for students interested in becoming scientists, engineers, researchers, crime scene investigators (CSI) or entering the medical field. The Law Pathway partners with the Washington University School of Law and the Mound City Bar Association. The Information Technology Pathway partners with the University of Missouri – St. Louis College of Business Administration and its Department of Computer Science and Information Technology. Qualified seniors complete an internship in their career choice.

Additionally, Soldan offers a rich variety of fine arts and sports activities for students, including band, choir, basketball, football, baseball, softball, tennis, wrestling, soccer, track, and cross country. Enrichment and remedial services are available. Students can enroll in the A+ Program.

It is recommended that stu-
dents have a:
• 3.5 grade point average or better
• 93% or higher attendance
• Good citizenship

Soldan concentrates on preparing students for college and 21st century careers in a global, technological world. It is recommended that students:

• Study a foreign language. Offerings are in Arabic, French, Russian, Chinese, Spanish, and French.
• Select a Career Pathway: Information Technology/Computer Science; Business Management; Biomedical Sciences careers in Crime Scene Investigation (CSI), engineering, medicine; and the leadership and law with Washington University Law School.
• Current immunization report
• Individual Education Plan (IEP) record, if applicable
• Documentation to verify gifted standing
• Prospective students are required to write and submit a brief essay “I am excited about McKinley Classical Leadership Academy because…” The essay should highlight the student’s reasons for wanting to attend McKinley CLA and clarify which Leadership Pathway sparked the student’s interest. Students are also encouraged to incorporate their ideas for school leadership and community service in their essay.

Saint Louis Medical High School
(for grade 9 for 2013-2014 school year)
450 Des Peres
314-345-4531

Opening in August 2013, Saint Louis Medical High School—patterned after the distinguished Michael E. DeBakey High School for the Health Professions in Houston, TX—is a community of learners that will embrace very high academic standards. In addition to offering advanced curricula, Saint Louis Medical High School will create an environment in which all of its students and staff will work together toward a common goal of careers in medicine and medical research.

Designed as a rigorous four-year medical professions magnet program, the school’s mission is to prepare a diverse student body to further their studies at the nation’s best colleges and universities. Its pre-college curricula, which include five-year mathematics and science sequences, as well as a required Advanced Placement program, will arm students with an academic foundation essential for postsecondary studies. The school’s unique four-year medical program will provide students with project-based learning experiences under the guidance of Health Science Technology professionals in the classroom and, with our local partners (BJC Healthcare, Washington University Medical School, Saint Louis University School of Medicine, Saint Louis College of Pharmacy, and St. Louis Community College), experiential learning and medical research opportunities. The Saint Louis Medical High School requires a written commitment from both students and parents to follow the four-year course sequence, complete a minimum of 100 hours of community service, earn First Aid and CPR certification prior to entering the 11th grade, and abide by the school’s Honor Code and Dress Code policies.

• Previous year’s final report card
• First grading period of current report card
• Test record (MAP, national achievement tests)
• Excellent attendance record (documented)
• Two letters of recommendation (current teacher, counselor, principal or designated administrator)
• Admission exam and Entrance essay
• If accepted, attend the Medical High School’s Summer Program prior to entering the 9th grade

Important Dates and Deadlines
Open House at all magnet schools
Dates and hours to be determined by individual Magnet and Choice schools. Check District website at www.slps.org for dates and times.

October 29, 2012 through December 7, 2012
Pool C Application Period
December 26, 2012 through February 1, 2013

Placement Lottery: Friday, October 19, 2012
Placement notifications sent prior to October 26, 2012

Placement Lottery: Friday, December 14, 2012
Placement notifications sent prior to December 21, 2012

Placement Lottery: Friday, February 8, 2013
Placement notifications sent prior to February 15, 2013

Open house for newly accepted students and families
Dates and hours to be determined by individual Magnet and Choice schools. Check www.slps.org for details.

FOR MORE INFORMATION
Contact the St. Louis Public Schools Office of Recruitment and Counseling at 314.633.5200.
The lottery

Because the number of applications often exceeds the number of available spaces, all applications are entered into a lottery to place students within each pool. The lottery is used to assure an equal chance for all students applying to magnet schools, within the pool periods and using certain priority categories. (See below.)

When you enter your application using the new online entry system, or when it is entered manually for handwritten applicants, it will be assigned to its appropriate priority category. The computer program then randomly assigns a lottery pick number to the application when the placement lottery for each applicant pool is held.

The lottery program used attempts to place each applicant in his or her first choice school. If this choice is not open, the applicant’s second choice is considered, presuming an additional choice is listed.

The Pool lotteries for the 2013-2014 school year will be held by:

**Pool A** - Friday, October 19, 2012
**Pool B** - Friday, December 14, 2012
**Pool C** - Friday, February 8, 2013

What priorities affect the lottery process?

The St. Louis Magnet Schools participate in the area-wide desegregation program and have a goal of being racially integrated.

Through the lottery system, all applications have equal weight within various categories required to maintain racially integrated schools. They are:

**1ST PRIORITY**

Continuity — Students currently enrolled in magnet schools who are graduating to the next school level (such as elementary school to middle school) are guaranteed a seat in a magnet school. Students matriculating from middle school to high school must meet school eligibility criteria to be considered for placement in the high school requested.

**2ND PRIORITY**

Sibling — Brothers and sisters of magnet school students who live at the same address and share at least one biological or legal parent have priority placement in the same magnet school building as their sibling. There is no guarantee, however, that siblings will be placed together. Applications for sibling priority consideration received in Pool B periods will be considered for placement after all Pool A applicants of all priorities are considered, and all applications for sibling priority consideration received in Pool C periods will be considered for placement after all Pool B applicants. No sibling priority applicants will be considered after the Pool C application period closes.

**3RD PRIORITY**

Neighborhood — City students living within the “walk-to-school” boundaries set by the district transportation department can apply for neighborhood placement. There is no guarantee that all neighborhood applicants will be placed. Applications for neighborhood priority consideration received in Pool B periods will be considered for placement after all Pool A applicants of all priorities are considered, and all applications for neighborhood priority consideration received in Pool C periods will be considered for placement after all Pool B applicants. No neighborhood priority applicants will be considered after the Pool C application period closes.

**4TH PRIORITY**

St. Louis City and St. Louis County applicants — These students are placed in magnet schools through the lottery after other pool placements are made. City and county residents have equal priority for magnet school placement.
Frequently Asked Questions

How do I know which magnet school is the best fit for my child?

Only you can decide. Consider your child’s interests and abilities, and learn about the school options available to you. Look on our website at www.slds.org for information regarding scheduling of school based open house events. If you wish, contact the school for a personal tour. The school staff will be happy to answer questions you may have about their specific programs.

We’re also hosting three Magnet Recruitment Fairs. The first is at The World Chess Hall of Fame located at 4652 Maryland in the Central West End, from 10 a.m. to noon on Saturday, September 15, 2012. The next will be at the Emerson Education Center at the Magic House, 516 S. Kirkwood Road 63122 from 6 p.m. to 8 p.m. on Tuesday, September 25, 2012. The SLPS District will host a fair at the Compton Drew Investigative Learning Center from 10 a.m. to noon on Saturday, October 6, 2012.

Must I list more than one school choice on my application?

No. You may list up to two schools. If there is only one school that interests you and your child, you may limit your application to that school. Please DO NOT list choices for schools that you are not willing to accept.

How will I know you received my application?

We will email or mail you a receipt verifying that we have received your application. Please review it carefully to ensure all information is correct. If you do not receive a receipt within 10 days of submitting your application, city families should contact the recruitment office at 314.633.5200, and county families should call VICC at 314.721.8422, ext. 3012.

What are my child’s chances of being accepted to a magnet school?

Acceptance rates vary from year to year, there are typically more applicants than available spaces. Usually about one-third of city applicants and about one-half of county applicants are accepted.

How will I find out if my child is accepted?

Placement Notifications will be emailed or mailed by:

Pool A - Friday, October 19, 2012
Pool B - Friday, December 14, 2012
Pool C - Friday, February 8, 2013

What do I do after my child is accepted?

The school your child is accepted into will contact you about an open house for newly accepted students that will be held prior to the end of the 2012-2013 school year. Check www.slds.org for details.

What if I change my mind after my child is accepted?

City families should inform the Recruitment and Counseling Center in writing. If you reject the acceptance, your child will be assigned to his or her neighborhood school. County families should notify the VICC office in writing.

What if my child is not chosen through the lottery?

Your child’s name is placed on a waiting list. If additional spaces become available during the school year, you will be notified. Applications do not carry over from year to year.

What if my child is not accepted to his or her first choice?

If you listed more than one choice on your application, and your child is accepted to his or her second choice, that school is the school he or she will be eligible to attend for the 2013-2014 school year. His or her name will NOT automatically go on a waiting list for your first choice.

If you are still interested in being considered for your first choice school, you must re-submit a new application to go on that school’s waiting list.

Once my child is accepted, do I need to reapply each year?

No. Once your child is accepted, you do not have to reapply each year, presuming he or she will be continuing at the same magnet school and continues to meet eligibility criteria.

Students graduating from 5th grade at Washington Montessori School will be automatically assigned to Gateway Math & Science Prep.

Students graduating out of 5th grade from Humboldt Academy of Higher Learning will automatically be assigned to Busch Middle School of Character.

Students graduating from 5th grade at Dewey International Studies will automatically be assigned to Compton-Drew Investigative Learning Center.

Parents wishing to apply to magnet schools other than those assigned are free to do so, but the applications will be considered for placement under the Pool System implemented as well as the priorities within those pools.

All 8th to 9th grade students must apply to be considered for placement to a magnet or choice high school, and criteria must be met to be eligible for placement.

My child attends a magnet school, but wants to transfer to a different magnet school next year. What do I do?

You must submit a new application and be accepted through the lottery. Your child will keep a spot in his or her current school until (a) he or she is accepted into the new school and (2) you’ve completed and returned the enrollment paperwork.

Have a question you need answered?

City families can email slpsmagnetschools@slps.org.
County families can email imerlo@choicecorp.org.
Magnet and Choice School Application
2013-2014 School Year

Please Read: See Page 4 in the guide for an explanation of the new three pool application timeline. All applications received in a Pool Application Period are given equal consideration, within placement priorities. All current Pool applicants will be considered for placement prior to reviewing and placing applicants in the next Pool. Submission of this application will override any previous application submitted for the 2013-2014 school year. INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED.

Student's Name ___________________________ Date of Birth ___________ Sex ______

Address: ___________________________ Street City State Zip

I give permission to the current school my child is attending to release any information needed to complete the processing of this application. I understand that once enrolled, student records will be sent to the new school district. I understand that submitting false residency information is a Class A misdemeanor, and that I may be required to pay the cost of educating my child if I provide false residency information. I understand providing false disciplinary information on this application is a Class B misdemeanor. I also give permission for my child to be tested in order to determine eligibility for the gifted programs. I understand that the Saint Louis Public Schools is not responsible for errors made by me on this application (such as grade, birth date, schools selected and/or incorrect school year application.)
