The students, faculty and staff of Lyon at Blow have had a busy three months since issue 13 of your Lyon at Blow News hit the stands. The Boys and Girls Basketball Teams, coached by Mr. Archer and Ms. Berry played dozens of games against area teams. The Lyon at Blow family celebrated the holidays with an outstanding Winter Fest program organized by Lyon’s award-winning Music Teacher, Mr. Clark. As part of a time-honored tradition, Dr. Iskali, the Lyon at Blow Principal, thanked her hard-working staff with an evening at Genesis, during her Annual Faculty and Staff Holiday Party. On December 19, 2013 students had an opportunity to tour the halls of Lyon at Blow and view individual and classroom projects on a planned Gallery Walk. Items from every classroom in the building were on display up and down the hallways of the elementary and middle school classrooms in a celebration of problem-solving, communication, and project-based learning!

Santa Claus visited the school and brought candy canes and good cheer to the children and the school completed the second quarter with great anticipation for continued success in 2013.

Nearly the entire staff and faculty attended.

Time for a Winter Celebration! 8th Grader Nicole Rogers serves as the MC for the Winter Fest Program directed by Lyon at Blow Music Teacher, Mr. Mark Clark. Nicole is backed dropped by an outstanding winter mural created by Lyon at Blow’s Art Teacher, Mrs. DeLeon and her art students.

Students from the Kindergarten and First grades were enthusiastic and belted out their songs to an appreciative audience.
