

## Welcome!

I hope everyone had a fantastic summer! This year, my hope is to send out a monthly newsletter to keep everyone informed about what is going on in the classroom, upcoming events, and reminders through the school year!

## ParentSquare, FOCUS, and Teams

We have new ways of communication this year!

Please make sure both parents and students are in **FOCUS**

**Parents/Guardians** - ParentSquare will have a section where I can post announcements for each class, I will be utilizing that as well as emailing for performances and events this year.

**Students** - you should be added to your respective Teams pages! Reach out if that is not the case.

# Quarter One CVPA Choral Newsletter

## Focus for August:

### ***Classroom Rules and Procedures***

You will be getting a syllabus ***that will need to be signed*** sent home with all this information and more!

### ***Music/Ensemble Basics***

For upperclassmen and some incoming freshmen, this may be a review. However, we will be starting back from the beginning to build a strong foundation of music theory skills for the year. Also, learning to sing with one another as all ensembles will have new groups of voices this year that have not sung with each other before!

## Upcoming Events:

- **Opera Theatre STL Artist In Training Program Auditions**
  - Thursday, September 18th 3-5pm
