QUARTER ONE

August / Q1 Breakdown

Beginning Piano:

In August, we start at the bare bones beginning! We learn what a piano/keyboard is, how to take care of it, and then how to start playing one! We begin with keeping the hands separate, but eventually will get to a song or two that uses both hands by September! The first 5 notes everyone will know how to play in both hands are: C,D,E,F, and G

Intermediate/Advanced Piano:

This class will have a mix of two levels (hence why it is called Int/Adv Piano). Depending on which level you are will determine where we start in our review! However, both levels will start with the same Music theory review to brush up and prepare for upcoming repertoire.

Welcome!

I hope everyone had a fantastic summer! This year, my hope is to send out a quarterly newsletter to keep everyone informed about what is going on in the classroom, upcoming events, and reminders through the school year!

ParentSquare, FOCUS, and Teams

We have new ways of communication this year!

Please make sure both parents and students are in **FOCUS**

Parents/Guardians - ParentSquare will have a section where I can post announcements for each class, I will be utilizing that as well as emailing for performances and events this year.

Students - you should be added to your respective Teams pages! Reach out if that is not the case.
