Agenda (During Class time)

I do:

- Discuss the upcoming project of the Safety Contest and show the poster of the Safety Contest.

We do:

- Brainstorm some different ideas that can be used.
- Using Padlet, coming up with some different thoughts and ideas about
- Talk about some different ways to create design/artwork.

Agenda (On your own)

You do:

- Create some designs for the safety contest by using some of the different applications that are loaded onto the iPad.
- Watch the video on how to create a poster.

Answer the questions that are listed on the forms page that you can access by clicking the picture below. This is due by the end of the class/day.
