Agenda (During Class time)

Agenda

I do:

- Ask if there are any questions about what the students accomplished from last week.
- Go over the Elements and Principles quickly to clarify what each piece is.

We do:

- Talk about what the project is and what we are going to be using.
- Demonstrate how to use the SWAY program and where to go to use it.

Agenda (On your own)

You do:

- You need to work with SWAY and see how this program works.
- When you have a handle on what SWAY does, then you need to set it up for your project.
- You need to create a SWAY for the Elements and Principles of Art. Make sure that you have the definitions included and the Images that you have been taking included in your presentation.
- You must have a minimum of 2 pictures (1 **MUST** be a **PICTURE THAT YOU TAKE** and the others may be from the internet.) You **CANNOT** use pictures that you have done a screenshot of, they **MUST** be your own images.

SWAY Program

Below are 2 different links for you to view if you need assistance on create a SWAY Presentation.
