

Monday, October 12th, 2020
Agenda (During Class time)

Agenda

I do:

- Discuss what the project is and what materials we will be using.
- Demonstrate how to create a Bird's Eye View of a city.

We do:

- Work together on drawing our Bird's Eye View. Making sure that there are at least 10 buildings.
- Work on creating windows and building tops.

Agenda (On your own)

You do:

- If you need to refer back to the SWAY, you may do that.
- If you have any questions, ask.
- If you have not completed the assignments from last week, they need to be completed as well.

No form today. You are to continue working on you Bird's Eye View One-Point Perspective Assignment.

If you have not finished the Assignment from last week, please do that and submit it to the form below.
