Agenda

I do:

- Any questions about the project thus far?

We do:

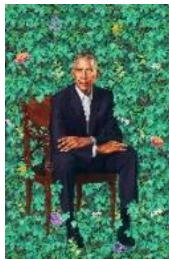

- Make sure that your presentation is up, completed and ready for viewing.
- Talk about how we are going to be going through the presentations and critique them using the peer forms.

Agenda

You do:

- Finish up your presentation at this point.
- Finish up any forms that you have not completed and make sure they are all turned in. Please be aware of the points that are associated with each form.
- Make sure that you are following all directions in the forms. You will need to upload the forms in the file section in the folder that says **“Who am I” SWAY Projects**. You will then need to select 2 SWAY Projects to Critique.
- When you are completing the Critiques, make sure you are using complete sentences.
- Side note: I am still missing Forms from some of my Friends. Get these forms turned in.

Right now we are looking at a total of 110 points just in the forms. GET THESE IN!!
