Agenda

I do:

- Introduce the project that we will be working on.

We do:

- Talk about what we already know about color.
- Finish up the SWAY on Color/students to take notes.
- Discussions about the Color Wheel.
- Answer any questions about color that may come up.
- Talk about what the actual assignment will be and what needs to happen with it.

Agenda

You do:

- Finish taking notes on the Color Wheel.
- Following the directions on what the actual creative color wheel is about and how you can complete it.
 - You are NOT to make a general/normal color wheel for this assignment.
 - Think of something that is out of the box when you are completing this assignment.
 - Use your imagination for this assignment.
 - Make sure that you are using the colors that are assigned as well, not more than them.
 - Make sure that you are referring to the SWAY Presentation on the Color Wheel as well. This will help you.
