Agenda
Thursday, December 10th, 2020

Agenda

I do:

- Ask if there are any questions

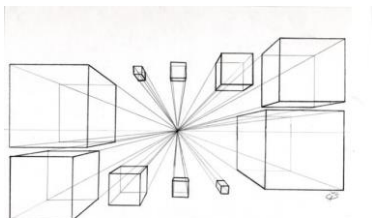

We do:

- One Point Perspective Room is due next week on Wednesday.
- Watch first and then work with it.
- If you are finished you need to complete all past assignments. End of Quarter is next week!!

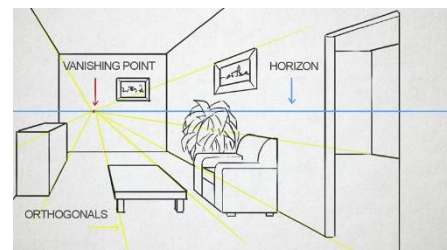

Agenda

You do:

- Watch video on a One Point Perspective Room before you actually start working on it. See how to work first before you start working. Watch how things are done before you work.
- Watch video 2nd time and work start working. Make sure that you are still using a ruler/straight edge and pencil. Draw lightly.
- When you have completed the image the way the video has demonstrated, you need to add 3 things that you would want to have in your room. Make sure that you are using your ruler/straight edge and you are drawing lightly.
- If completed, finish all past forms/assignments. End of Quarter/Semester is next week!
- Any questions, you need to be asking.
