

**Agenda**  
**Tuesday, December 15th, 2020**

### **Agenda**

#### **I do:**

- Ask if there are any questions

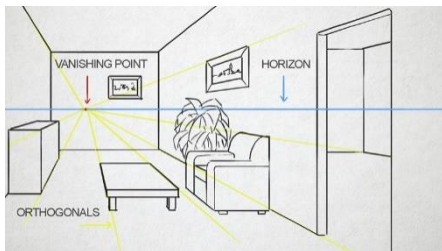

#### **We do:**

- One Point Perspective Room is due this week on Wednesday
- Watch first and then work with it.
- If you are finished you need to complete all past assignments. **End of Quarter is THIS WEEK!!!**

### **Agenda**

#### **You do:**

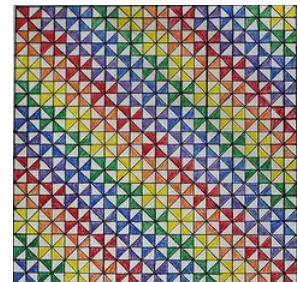

- Watch video time and continue working. Make sure that you are still using a ruler/straight edge and pencil. Draw lightly.
- When you have completed the image the way the video has demonstrated, you need to add 3 things that you would want to have in your room. Make sure that you are using your ruler/straight edge and you are drawing lightly.
- If completed, finish all past forms/assignments. End of Quarter/Semester is next week!
- When you are finished with ALL of your work, you need to work on Line Designs. Click on the image with the Line Designs on it and it will take you where you need to go for more directions.
- Any questions, you need to be asking.

Video on Drawing a room in  
One Point Perspective

Turn in One Point  
Perspective Room
