

Agenda
Wednesday, December 16th, 2020

Agenda

I do:

- Ask if there are any questions

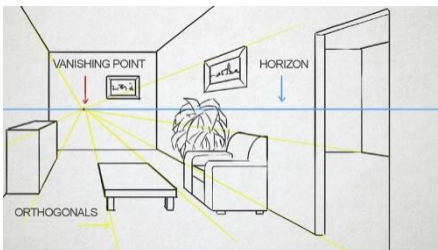

We do:

- **One Point Perspective Room is due Today!!**
- Watch first and then work with it.
- **Today is the last day to complete any past assignments. End of Quarter is THIS WEEK!!!**

Agenda

You do:

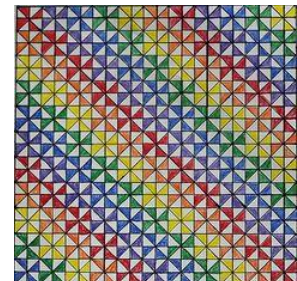

- Watch video and continue working. Make sure that you are still using a ruler/straight edge and pencil. Draw lightly.
- When you have completed the image the way the video has demonstrated, you need to add 3 things that you would want to have in your room. Make sure that you are using your ruler/straight edge and you are drawing lightly. **One Point Perspective Room is due Today!!**
- If completed, finish all past forms/assignments. **Today is the last day to complete any past assignments. End of Quarter is THIS WEEK!!!**
- When you are finished with ALL of your work, you need to work on Line Designs. Click on the image with the Line Designs on it and it will take you where you need to go for more directions.
- Any questions, you need to be asking.

Video on Drawing a room in One Point Perspective

Turn in One Point Perspective Room
