## Agenda

### I do:

- Questions about the current project?

### We do:

- Review the new project based on the work of Kara Walker.
- Talk about what supplies we would need to use while working on this assignment.

### You do:

- Go through the different Thumbnail Sketches/Rough Draft Sketches that you have completed and decide which one you will be doing.
- When you have decided on the image, you are going to do, what would be the best way to execute your design?
- When you have finally decided, you will need to create your design.
