## **Dress Code Policy**

Uniforms are not required at our school; however, our Dress Code is as follows.

### **What to wear:**

- ❖ School-appropriate clothing: comfortable to move around in, weather-appropriate
- ❖ Closed-toed shoes (tennis shoes, sneakers, flats, dress shoes, etc.)
- ❖ If wearing flats/dress shoes, bring tennis shoes for Physical Education class time

### **Not permitted:**

- clothes that depict hate speech, illegal items, gang-related symbols, or profanity
- clothes that reveal undergarments (aside from visible straps or waistbands)
- accessories that could be considered dangerous
- pants with holes above the knees
- "too" short shorts, skirts, skorts (must be fingertip length or at knees)
- tank tops or shirts/dresses with spaghetti straps
- slides, backless sandals, flip-flops, thong sandals, mules
- baseball caps, hats, hoods, and sunglasses

### **What happens when a student does not adhere to the policy?**

When a student violates the Dress Code Policy, parents will be notified and asked to bring in appropriate clothing or shoes. If that is not possible at the time, we will connect the student with the Counselor or Social Worker to loan appropriate clothing for the remainder of the day. If dress code violation is a frequent occurrence, students will be subject to disciplinary action, per district's Code of Conduct and parents will be notified and reminded of the policy.
