## Principal's Message

As a principal of Cleveland NJROTC Academy, it is my pleasure to welcome everyone back for another great year at Cleveland. We are all excited to have students back in our classrooms and hallways filling them with energy and enthusiasm for learning. It is our mission to help every child feel welcomed, connected, and a part of Cleveland NJROTC Academy. Additionally, we strive to challenge each student to grow in his or her academic abilities and to be college and career ready by the end of four years. At Cleveland, we have great teachers who spend hours planning and creating classroom activities to engage our students in learning. Our teachers utilize research-based best practices and analyze academic data to determine current skill levels and to set goals for growth and improvement. We believe that all student should graduate from high school prepared for the demands of postsecondary education, meaningful career and effective citizenship.

All of the information we send out via email can also be found on our website [www.slps.org/cleveland](http://www.slps.org/cleveland). Our weekly newsletters are emailed to parents on Friday afternoon and we upload a copy to our website.
