- Do not leave your seat to take a photograph or video.
- Do not talk during the performance.
- Do not yell or shout either during the performance or for the performer.

- Do not unwrap candy wrappers or noisy items during the performance.

Carr Lane Cell Phone Guidelines

Cell phones and electronic devices are not permitted in the St. Louis Public Schools, however Carr Lane administration and staff allow students to keep their cell phones if the guidelines are followed. Please turn in all cell phones during AM advisory to the teacher and retrieve it back at the PM advisory. If a student is seen with a cell phone it will be confiscated and parents will have to pick it up. We are willing to work with families but students must follow the guidelines extended by Carr Lane School.
