Our recommendations

Browser version

For the best experience, we recommend using the latest version of Chrome, Firefox or Safari.

Audio

Make sure all your devices have the audio activated. We recommend using headphones.

Create a shortcut

For a quick access, you can create a shortcut of the student part on the home screen of your students' devices

Microphone

Students can also read aloud in some activities! We recommend using headphones with integrated microphones.

Mouse and Trackpad

We recommend teaching the students how to use a trackpad or a mouse if you plan to use Lalilo on desktops or laptops
